SAINT ANTHONY'S HIGH SCHOOL DEVELOPMENT ALUMNI MAGAZINE

Cover Story

The San Damiano Cross is the one St. Francis was praying before when he received the commission to rebuild the Church. The original cross presently hangs in Santa

Chiarra (St. Clare) Church in Assisi, Italy. All Franciscans cherish his cross as the symbol of their mission from God. The cross is called an

icon because it contains images of people who have a part in the meaning of the cross. The tradition of such crosses began in the eastern Church and was transported by Serbian monks to the Umbria district of Italy.

This issue of Friar Focus is dedicated to all the Franciscan Brothers of Brooklyn and especially the current leadership of Brother William Boslet, Superior General, Brother Kevin Smith, Assistant Superior General, Brother Joshua DiMauro, Member of Council, Brother Richard Contino, Member of Council, and Brother Jeremy Sztabnik, Member of Council.

A Message from the Principal

Dear Alumni, Parents, Grandparents, and Friends,

As Principal of Saint Anthony's High School, I wish all of you could have been in attendance for the Graduation Mass and Commencement Exercise in June. There is no better testimony for the bright and glorious future of Saint Anthony's than those two events. Why, you may ask?

The answer is quite simple. The abundance of faith, hope, and love that filled the Student Center on both occasions was so evident on the faces of our graduates, their parents, and their grandparents. You see, at the end of the day, isn't that what our journey here is all about?

You would expect me to cite the vast accomplishments of the Class of 2012; the largest graduating class in the proud history of Saint Anthony's; the record number of Ivy League acceptances, our burgeoning science research program and our most recent Intel Semi-Finalist, Eric Caliendo, who also delivered a poignant Valedictory Address; the most recent concert tour in China; the inaugural year of our very own Celtic Pipe Band and Rugby Team; and the continued and unparalleled success of our athletic program. Instead, what I treasure most is not the pomp and circumstance, the pristine facilities, or the accolades, but the unbridled joy that our students gain from their Saint Anthony's experience. Classmates for four years and Friars forever.

We are reminded in Holy Scripture that where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away. What remains for eternity are faith, hope and love. The greatest of these is love.

On Monday, September 10th, 2012 Saint Anthony's opened its arms to 2,550 young men and women who love being here – the greatest gift of all!

God Bless you!

Sincerely yours in Christ,

Brother Gary Cregan, O.S.F.

A Message from the Director of Development

Dear Alumni, Parents and Friends,

Since 1933, Saint Anthony's High School, energized by the nurturing tradition of Franciscan education, has been a leader among college preparatory schools in the United States. The Saint Anthony's experience holds a special place in the hearts and minds of more than 18,000 graduates.

What is it about Saint Anthony's that leaves such an indelible mark on its students, alumni, their parents, and even their grandparents? While there are many positive influences that contribute to the Saint Anthony's experience, the one constant has been the adherence to Franciscan ideals. The life of Saint Francis and his followers is seen as a reminder that their values, their vows, and ministry – all demonstrate a viable opportunity to see Christ, the Church, and others as community and family. The Franciscan Brothers exemplify charity through their selfless giving, caring, compassion and generosity and it is their way of countering a society which sadly has been permeated by a "me" culture.

"Capture the heart and the mind will follow" perhaps is one of the most distinguishing characteristics that truly makes Saint Anthony's a Franciscan school. Enjoying the moment as expressed in the classroom, chapel, hallway, or on the athletic fields is evident on the faces of our students for all to see. The trademarks of the Franciscan life in terms of forgiveness and conversion are demonstrated each day in our interactions, aid and service that are reminders of the reality of God's grace at work in our daily lives and pumps the blood into the very heart of this extraordinary school.

Saint Anthony's High School Franciscan Brothers Legacy Endowment Fund

Seventy-nine years ago the Franciscan Brothers brought with them an 800 year-old Franciscan tradition of excellence in education. They founded Saint Anthony's High School on the Franciscan principle, "Capture the heart and the mind will follow," and follow they have...

Since 1933 Saint Anthony's High School, energized by the dynamic tradition of Franciscan education, has been a leader among college preparatory schools in the United States. The Saint Anthony's experience, "Classmates for four years – Friars Forever", holds a special place in the hearts and minds of more than 18,000 graduates.

These men and women, inspired by the vision and nurturing of the Franciscan Brothers and a dedicated and supportive corps of religious and lay faculty, have ventured on to contribute significantly to our nation through their leadership positions in government, religion, business, industry, science, the arts, education, journalism, communications, athletics and the armed forces.

Values and ideals are embodied in people and are not transmitted through words, documents, bricks or mortar but through lives. Saint Anthony's has been blessed with people whose contributions to the school and its students have been immeasurable. They continue to leave their indelible marks and enrich every student who attends Saint Anthony's.

One of the many attributes of Saint Anthony's today is its ability to attract and serve a highly diverse student body. The 2,550 students currently in attendance come from every social and economic background and find their way to school every day from Manhattan to Montauk.

Today the operating budget stands at \$25,000,000. Tuition for the 2012-2013 academic year is \$8,850 and nearly 15% of our current student body received some amount of financial aid based strictly on need.

The long-term goal of the newly established "Legacy Endowment Fund" is to provide for the continued fiscal stability of Saint Anthony's High School.

Please consider making your gift today. You can simply write a check, make a gift of appreciated securities, include Saint Anthony's High School in your will, establish a Charitable Gift Annuity or a Charitable Remainder Trust or name Saint Anthony's as the owner and/or beneficiary of an existing life insurance policy or as the beneficiary of a retirement account.

To make a gift by check or credit card or for all other inquiries regarding the variety of other ways you can make a gift to the "Legacy Endowment Fund" please call Don Corrao, Director of Development at 631-271-2020 ext. 284 or e-mail him at dcorrao@stanthonyshs.org.

National Honor Society

This past May 265 students were inducted into the school's chapter of the National Honor Society. Membership in the NHS recognizes scholarship, service, leadership and character. At this ceremony the 2012-2013 NHS Executive Board was installed.

Eucharistic Ministers

Another May tradition is the induction of student Eucharistic Ministers for the coming school year. These students will assist at Masses throughout the year, including the Christmas Vigil and Holy Week services.

Bravo! Bravo! Bravo!

Those in attendance for the Spring Concert sold out performance were treated to an evening they will not forget for some time. The Chorus, Concert Band, Symphonic Band, Orchestra, and Jazz Band all showcased the Saint Anthony's Performing Arts Program in grand style. One of the many highlights of the concert that brought the audience to their feet was the Chorus' stirring rendition of *Africa*.

Lee Family of Distinction

The Black & Gold Gala has developed into a great night to celebrate Saint Anthony's High School and it has become our most important fund raising Special Event.

As it has become our tradition to honor a "Family of Distinction" at the Gala, Saint Anthony's High School is pleased and privileged to announce that the 2012 Family of Distinction will be the Lee Family – Ed and Janet, and their two very fine children, Austin, an alumnus from the Class of 2007 and Claudia, an alumna from the Class of 2009.

Since 2004, Ed and Janet have been true ambassadors of Saint Anthony's both at home and abroad. They are ever present at numerous Saint Anthony's events and functions and their children made the most of their Saint Anthony's experiences and are now proud and supportive alumni in their own right. Ed and Janet have been extraordinarily generous in their support of our Development efforts.

At the culmination of a very productive and successful year, two teams from the Saint Anthony's High School Rocket Club qualified among the top 100 teams in the nation to compete in the Team America Rocketry Challenge (TARC) national finals this past May outside of Washington, DC. The contest challenges middle and high school students across the country to design and build a rocket that will climb to 800 feet and stay aloft for between 43 and 47 seconds using a parachute for a recovery device. Teams must also transport a payload of two raw eggs in their rocket and return them unbroken.

Rocket Club to New Heights

TARC is aimed at attracting students to science, math and technology education and, ultimately, careers in the aerospace industry.

This year the Rocket Club has enthusiastically grown to over 30 members. Co-founders and co-presidents Thomas Panicella '14 and John Tonna '14 have done a great job organizing the TARC teams and helping to plan aviation themed field trips to help keep members interested and motivated. Members of the Rocket Club have attended the Jones Beach Memorial Day Air Show as guests of stunt pilot Mr. David Windmiller, father of club members Matthew '13 and Robert '15. They have also visited Republic Airport where they received a brief lesson on the physics of flight as well as a tour of various aircraft.

This club, like so many other clubs and teams here at Saint Anthony's, is another great example of how dedicated and talented so many kids are. If there is anything you can think of to further assist or inspire the students in our club, please feel free to contact the club moderator Dr. Mark Capodanno at 631-271-2020 ext. 237.

Friars Golden Kids Carnival 2012

On Saturday April 28th, 84 children with special needs along with their families attended the Friars Golden Kids Carnival at Saint Anthony's High School. 259 current Saint Anthony's students served as buddies and activity leaders for these children. 25 faculty and staff members as well as the Mothers' and Fathers' Guilds helped to organize and run the event. The children enjoyed jumping in the bounce house, going down the inflatable slide, and running through the obstacle course. They also loved dancing to the music, playing sports, blowing bubbles, and joining in carnival games, coloring, and face painting. Lunch was also served later in the day in the cafeteria. Saint Anthony's looks forward to hosting its next carnival on Saturday May 18, 2013 so please save the date!

Friars Take Manhattan

The Saint Anthony's Celtic Pipe Band made its debut performance in the Saint Patrick's Day Parade in New York City.

Life

constantly changes. Sometimes it is for the better while other times things do not always turn out the way you plan. For me life has definitely changed for the better. A year ago I would have never imagined my life the way it is today. As a transfer student entering my junior year of high school I imagined what I was getting into was not going to be that easy. What people call the hardest year of your high school career was when I made one of the biggest decisions of my life. This same decision was my best decision. As a performing arts student I was about to enter a school which most people think is all about playing on the field, but the Performing Arts department here at Saint Anthony's High School is extraordinary. Coming from a school that was once recognized for its exquisite work in the theatre, I would have never guessed to choose Saint Anthony's to pursue theatre. This was until I saw the production of Grease in April 2011. I received a text on a Saturday night, "Hey, want to see Grease?" "Sure, why not," I responded, not knowing that the invitation was going to change everything. I came home later that night, amazed. The actors in this production made it clear that they were enjoying

what they were doing. The energy level was astonishing. I realized I once had this feeling of excitement as well for theatre was my passion. I also realized I was not happy where I was a year ago. Ever since I took my first steps into Saint Anthony's I knew I belonged here. The Performing Arts department offers a fall drama, a spring musical, Show Choir and much more. Pippin, the 2012 spring musical was one of the greatest experiences I have ever shared in. I don't know if it is the energy created within all of us, the rush of adrenalin before curtain or the bond formed between you and your cast, your family, but whatever it is builds a part of you that not everyone gets to experience. Show Choir, a new addition to the Performing Arts department, really builds character.

As a member I have learned a deeper understanding of commitment. This little group of people teaches you what it is like to work hard with others while taking what you learn those four hours a week and bringing it home to strengthen yourself. From Pippin rehearsal to Show Choir rehearsal life has never been so busy, and I wouldn't trade it for anything. I can honestly say my passion is back and I have found myself again. Saint Anthony's is a magnificent school. Whether it is on the field, on the stage or both, Saint Anthony's has a special spot for everyone. —Anthony Sarra '13

"Got to find my corner of the sky." These are the words sung over and over by the title character in last year's spring musical Pippin. The musical tells the tale of Charlemagne's son, Pippin, as he searches for his place in the world. Being led from one adventure to the next by a band of players, led by a persuasive and mysterious leader (Kyle Geraghty '12), Pippin (Anthony Sarra '13) finds only

disillusion, disappointment and failure. Ultimately he finds happiness in the simple joys of being in love and having a family. The show is unique in its structure - characters often break the fourth wall and many anachronisms are sprinkled throughout the script to give the musical the feel that it is a "show within a show," and all the characters are merely traveling actors putting on another version of this production for this respective audience. The cast of twenty-eight actors, singers and dancers included recent graduates Clayton Collier, Taylor Feingold, Mike Graziano as Pippin's father, stepmother and stepbrother respectively. Other highlights of the cast included Pippin's grandmother, Berthe, played by Christina Farah '13 and Pippin's love, Catherine, played by Grace O'Neill '14.

Pippin opened on Broadway in October 1972 and was famous for its style and look, all attributed to the great director/choreographer Bob Fosse. That style was tirelessly recreated by director Mr. Michael McAuliffe and choreographer Ms. Dana Baudouin. With the help of Mr. Greg Wilson as musical director the cast was able to bring to life every note of the popular folk/jazz score. Behind the scenes producers Mrs. Cari Gash & Mr. Nicholas Vasiliades helped to ensure that all the pieces of the puzzle came together for opening night. The ever-reliable stage crew led by Mr. Christopher Lauto and lighting designer Nick Graci '13 brought their expertise to the production by creating dazzling lighting and cool special effects. Saint Anthony's High School Theatre Company has a long tradition of presenting vibrant and entertaining theatrical productions – may it continue to blossom and grow, providing students with an artistic outlet for all their creative talents.

(Below: Anthony Sarra as Pippin).

Our Lady of China Orchestra Pilgrimage

Last February members of the Saint Anthony's Orchestra performed in Beijing, Xi'an, and Shanghai. During their unforgettable journey they visited such historic sights as Tiananmen Square, the Temple of Heaven, the Great Wall of China, the 2008 Olympic Village, the Terra Cotta Warriors Museum, and the Yu Yuan Gardens. The concerts were very well attended at each of the three venues and the audiences were very appreciative of their American guests.

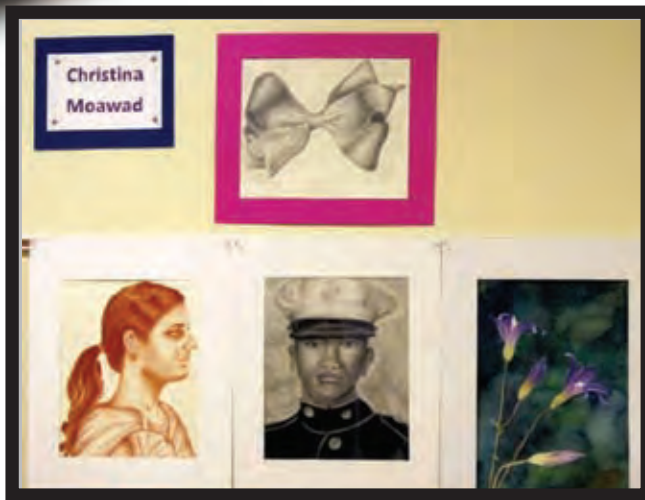

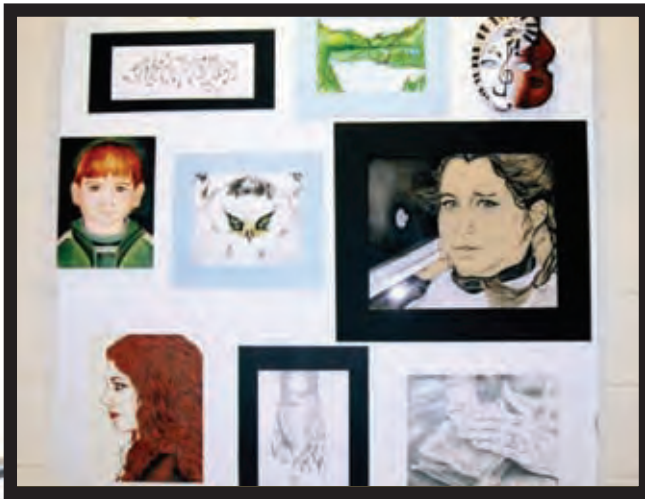

Spring Art Show

The Saint Anthony's Fine Arts Program was on display for all to see and admire at the 2012 Spring Art Show held in May. Congratulations to all of our exceptionally talented students and a special thank you to the members of our extraordinary faculty - Mrs. Marie Novara - Director of Art, Mrs. Tara Bouderau, Ms. Jennifer Baldwin-Schafer and Mr. Christopher Lauto.

Classmates

Friars (and Friends) Forever

for Four Years,

A Message from the Alumni Director

Dear Friars,

It has been quite a remarkable year here in the Alumni Office. The year has been full of many great moments, some challenging, some triumphant. As a community, we have shared moments of incredible sadness and exuberant joy. It is my hope that with each year our Alumni base will continue to grow and we can continue to share Friar moments.

There were so many wonderful events this year, which gave me the opportunity to reconnect to many long lost Alumni. The Homecoming Pre-Game BBQ brought together Friars from the 1960's through the Class of 2011. Breakfast with Santa brought back Alumni and their kids, our Future Friars. Watching the kids as they stared in awe at the real Santa was heartwarming. Our Friar Shield Mass brought together our cherished Alum police officers, firemen, military personnel and first responders for an afternoon of prayer and fraternity. A final highlight for me was the Smithtown Reunion held in March at Flowerfield in St. James. To see so much of the history of the school—the Brothers, Faculty, Benefactors and Students—in one place was inspiring!

What struck me at each of our many Alumni events this year was the sense of that intangible Friar Spirit. During the year, I have tried to put my finger on exactly what defines that spirit. My sense is that we all share similar backgrounds with slight variations here and there. Your families all made some sacrifice to send you to a Franciscan school. The Franciscan ideals that were taught by the Franciscan Brothers and the devoted Lay Faculty are part of each of us. We strive to be "instruments of peace", to "give rather to receive." It is this commonality of thought that brings us together as the Friars.

I look forward to connecting with more of you throughout this my second year in the position of Alumni Director. I am very aware that our Alumni are our most valuable resource to keep the Friar Spirit alive. Please feel free to contact me at 631-271-2020 ext. 213 with any suggestions or updated contact information. And always remember: You are Classmates for Four Years, Friars Forever!

Alumni Friar Shield Network— Blessing of the Shields

On January 29th, Father Sean Gann celebrated the first Friar Shield Network Blessing of the Shields Mass in the Chapel of Our Lady of the Angels. The Mass, which was open to all Alumni Military, Firefighter, First Responder and Police, was followed by a showing of *Men of Purpose*, a Dutch documentary about our Alumni hero, Marine James Argentine '05, who made the ultimate sacrifice while serving our country in Afghanistan. A reception was held in the cafeteria. We look forward to this year's Blessing of the Shields Mass which will take place on Sunday, January 27, 2013 at 2:00 PM.

Alumni Spotlight

Thomas Schreiber

Thomas Schreiber, Class of 2010, has impressed many as a member of the Princeton community. Tom is making his mark at Princeton as an excellent student and a phenomenal lacrosse player. In the true Friar Spirit, Tom has also made his mark in a project called Fields of Growth, a charity which helps poverty stricken children in Uganda.

Prior to June 22nd, Tom had never been out of the United States. He traveled, along with his cousin Dan Rogers (Farmingdale '10) to Uganda and spent three weeks in Uganda building homes, volunteering at a local hospital and teaching local children how to play lacrosse. The experience was personally rewarding for Tom and reminded him of how grateful he is for his family, education and athletic abilities.

Saint Anthony's is proud to call Tom a Friar!

Alumni Spotlight

Tara DellaRocca

Tara DellaRocca, member of the Class of 1992 and University of Notre Dame graduate, recently opened a new project-based elementary school called High Tech Education in San Diego, CA. Teachers love their summers off! Tara, however, certainly makes the most of her summers, volunteering in impoverished countries for the past seven summers. In the Summer of 2012, Tara traveled to India where she volunteered in a local Rogpa childcare in Dharamsala and then she taught in Morning Star School in the slums of Faridabad (outside of Delhi). Tara said despite the 115 degree heat and the severe poverty and unsanitary conditions, she finds her experiences to be very rewarding. Tara, like so many of our Alumnae, lives the Franciscan ideal serving others.

Kerry Moran 5K Race

On March 24, 2012, the Saint Anthony's Alumni Association sponsored its first ever Kerry Moran Memorial 5K Race. The race, a benefit for Saint Anthony's and the KJM Foundation for Head Injuries, was in honor of longtime, much loved Track Coach Kerry Moran. Kerry died in 2011 as a result of head injuries he received after being hit by a car near his home.

The race was very successful. Nearly 300 runners ran through the Saint Anthony's neighborhood and then enjoyed an awards ceremony and breakfast. Many thanks to Chairperson Patrick Regan '06 and his Assistant Chairs Emily Lanzo '05 and Bobby Farrelly '05 who made the event a huge success!

The Second Kerry Moran Memorial Race will take place on March 23, 2013. Please save the date – it's a fun Friar Family event!

Alumni Spotlight

Kristin Savilia

While at Saint Anthony's Kristin Savilia, Class of 1987, spent much of her time practicing crossing plays with Soccer Coach Tom Hayes or running laps with the Girls Track team. Today, Kristen is still running around but now as a wife, mother of four and an executive officer at the XO Group (formerly TheKnot.com).

After graduating from Dartmouth with a major in History, Kristin worked for Macy's in Retail Management. She later left there and moved to New Hampshire and worked on the team that developed Linens and Things Bridal Registry. In 1999, Kristin made a somewhat bold move and teamed up with the young, very small company known as TheKnot.com. With the rise of social media and the growth of TheKnot.com, Kristin rose to the ranks of Executive Officer of the very successful XO Group that now includes the ultimate resource sites, TheKnot.com (for brides), TheNest.com (for newlyweds) and TheBump.com (for pregnant women).

Kristin shares many fond memories of Saint Anthony's, especially her time with the soccer and track teams, her History classes with Brother Gary and, most especially, her Italian classes with Mrs. Stephanie Winus. Her knowledge of Italian came in very handy on her honeymoon!

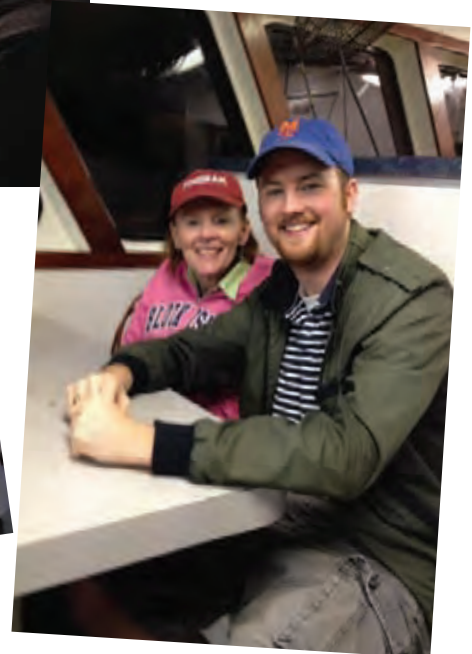

Although she is currently a New Jersey resident, her family still lives in Huntington and, hopefully she and her family will be by for some Alumni events. The Friar Family is very proud of her success!

Welcome Aboard

On May 17th and June 12th, the Alumni Association sponsored two fishing trips on The Celtic Quest, a Port Jefferson fishing boat owned and operated by Captain Desi O'Sullivan '93. On both trips, the group shared many laughs, much Friar Spirit and great fishing.

Alumni Spotlight

Robert Conte

Robert Conte, Class of 1988, has made quite the name for himself in a somewhat unusual field—Comic Books! As Rob's classmates will remember, he was always a big fan of the genre. Rob has very successfully transformed his childhood passion into a livelihood. The author of many graphic novels and rock and roll biographies of such musicians as Black Sabbath, Led Zeppelin, Aerosmith and Kiss, Rob worked for seventeen years as the Founder and President of Chikara Entertainment, a print broker and packaging company serving the comic book industry. In 2011, he sold his share in the company and now devotes his time as the President and Owner of Manhattan Comics and More.

Rob says, "One of the most significant and understanding people I met at Saint Anthony's was Mrs. (Philomena) Clement. As a Senior, I was failing English and giving all of my teachers a pretty hard time. When it came time to write the required Research Paper, Mrs. Clement agreed to allow me to write about Spiderman. I actually did the work and handed in a very well-researched paper. She actually passed me!" We wish Rob continued success and look forward to hearing about his future endeavors.

Smithtown Reunion

On March 9th, 2012, a Smithtown Campus Reunion was held at Flowerfield in Saint James. The Class of 1962 celebrated its 50 year graduation anniversary. It was a special night of past and present Faculty, Brothers and Alumni coming together for a night of dancing and celebration. The following morning some of our Smithtown Friars attended Holy Mass in the Chapel of Our Lady of the Angels and enjoyed a tour by Brother John Lawrence Dawson, O.S.F. and Alumni Director Denise Creighton. We look forward to seeing many more Smithtown Friars at the 2013 General Smithtown Reunion that will take place on Saturday, March 9th at Flowerfield.

Thomas J. Vito

Thomas J. Vito , Class of 1992, and fellow 9/11 Survivor Martin Coleman recently published the first of their book series related to their own experiences in the September 11th attacks.

What if Jesus were a New York City Firefighter? A Story Born on September 11, 2001 was written with a positive, timeless message of hope and inspiration for parents to read along with their children. The pair is working on more books for the series

including *What if Jesus Were an American Soldier?* and *What if Jesus were a Police Officer?* A portion of all sales is being donated to three 9/11 related charities for First Responders and their families. Copies of the book are available at www.vicopublishing.com and amazon.com for the Kindle and in hardcover.

Class of 2002 Celebrate 10-Year Reunion

On July 21st, members of the Class of 2002 enjoyed their 10 Year Reunion at the Huntington Hilton. The evening was filled with music, dancing and genuine happiness among the attendees. Many thanks to classmates Alex Depalo and Amanda Ciurleo who helped every step of the way. On July 22nd, members of the class and their families joined Father Brian Barr in the Chapel of Our Lady of the Angels for Mass, followed by breakfast and tours of the new facility. It was wonderful to see so many Friars enjoying the weekend together!

2008

Josh Willis graduated from Case Western University this past spring, earning both Bachelor of Science and Master of Science degrees in chemical engineering in only four years. Josh will continue his studies in the PhD program for chemical engineering at Stanford University.

Two-time captain of the St. Joseph's College men's basketball team, **Chris Jimenez**, ended his career as the third all-time leading scorer in the program's history. He also shattered the school's mark for three-point field goals made in a career and holds the record for most three pointers in a game. He helped lead the team to NCAA Division III Championship Tournament appearances in 2009 and 2012.

We'd love to hear from our alumni, including those from the Classes of 1960-1984.

Faculty Spotlight

Brother Xavier Castaldo, O.S.F.

"Brother Xav" as he is affectionately known by almost everyone who crosses his path began his relationship with Saint Anthony's when he attended the Juniorate in 1958. Fifty-four years later, Brother Xav is still going strong and has served Saint Anthony's in many ways.

As a member of the Class of 1962, this proud alumnus then attended the St. Francis Novitiate in Oyster Bay and became Three Years Professed in 1964 and Life Professed to the Franciscan Brothers of Brooklyn in 1967.

Brother Xav taught elementary school at St. Bridget's in Ridgewood, Queens and then was assigned to Camp Alvernia in Centerport, Long Island until 1973. Since then, Brother Xav has been with Saint Anthony's High School. For the first ten years, he teamed with his beloved friend, Brother Neri Fulton, O.S.F., to manage the Maintenance Department at the Smithtown campus. Once the move was made to South Huntington, Brother Xav was in charge of Kitchen Services until 1994. In addition to his many responsibilities, Brother Xav has been a key contributor to the Athletic Program where he has been both a coach and moderator of the JV football team, as well as moderator and coach of the Boys Bowling Team. This past season Brother Xav was named Coach of the Year. In addition, he was elected to the Board of Governors for the Catholic High School Football League. Brother Xav also continues to mentor the entire Saint Anthony's coaching staff in CPR and First Aid.

Today, Brother Xav works in the General Office. When he reflects on his years at Saint Anthony's he is quick to mention that he "just loves the kids and that Saint Anthony's really became a family because of the good group of Brothers, faculty, and staff who have served over the years."

Faculty Spotlight

Nancy Kennedy

While her students and fellow faculty members would be quick to offer many superlatives about her, “Unsung Hero” is what brings her into the spotlight for this issue. Mrs. Kennedy is someone who truly appreciates each day she has to positively influence her students and values her self-described “chosen vocation” as an esteemed member of the English Department.

Mrs. Kennedy received her undergraduate degree from Molloy College and her Master’s Degree in English from Long Island University’s C.W.Post. She worked for Marine Midland Bank and North Fork Bank during college, which only reinforced her desire to teach. She was given that opportunity in 1989 when she was hired by Saint Anthony’s as a student teacher by Brother Owen Justinian, O.S.F., and then her prayers were answered in 1990 when Brother Shane Burke, O.S.F. hired her after she had been offered and accepted a position elsewhere. For Nancy Kennedy, Saint Anthony’s was where her heart was, and for anyone who comes in contact with her, it still is. Mrs. Kennedy teaches Western Literature I & II, Creative Writing, and English 12 - Modern Literature. In addition, she is the moderator of C.A.R.E. (Caring Adolescents Reaching the Elderly), a very active service club at Saint Anthony’s.

In Mrs. Kennedy’s own words:

My main purpose as an English teacher is to teach my students critical thinking skills, to become proficient writers and to hopefully nurture – or begin – a love of the written word. It’s often an uphill battle, but it is certainly a labor of love.

I enjoy going to the school plays, the concerts, the sporting events. I try to go to any event that I am able. I know how much time and dedication the students give to their respective activities and I like to watch them outside of the classroom. It enriches the relationships I have with them. Saint Anthony’s is a very special place and I cannot imagine myself anywhere else.

Mrs. Kennedy is married and resides in Huntington with her husband, Tom and their son, Patrick.

Alumni & Parents Pride & Participation

"Capture the heart and the mind will follow" is embodied in the many ways our alumni, parents, grandparents, and friends contribute to Saint Anthony's High School.

When you give to Saint Anthony's you help the Franciscan Brothers fulfill their commitment to academic excellence, to enhance our facilities, and to keep a Saint Anthony's education accessible and affordable.

The participation of all of our alumni, parents, grandparents, and friends is paramount if Saint Anthony's is going to maintain its position as the leading college preparatory school on Long Island.

The 2012 Annual Fund is the best way to demonstrate your overall satisfaction with your Saint Anthony's experience. The 2012 Annual Fund is a key source of expendable revenue that impacts the lives of every student. Your gift to the 2012 Annual Fund:

- Provides financial aid for deserving and need worthy students
- Enhances academic and student life
- Advances our Catholic and Franciscan mission
- Supports our areas of greatest need
- Assists in beautifying our campus

Giving is personal. All gifts to Saint Anthony's make a difference. Making a difference starts with you. Please make your gift today.

Football Hall of Fame

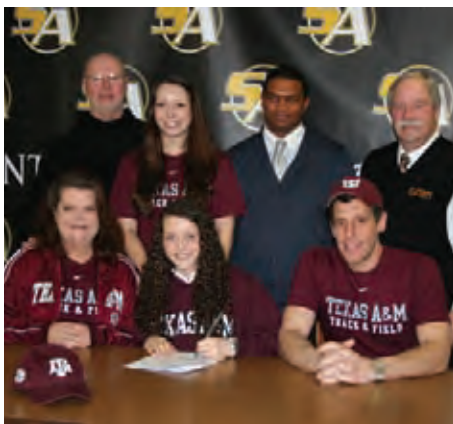

On May 3, 2012, the Saint Anthony's Football Program was inducted into the prestigious Suffolk County Hall of Fame at Patchogue's West Lake Inn. The induction is a fitting tribute to Head Coach Rich Reichert '70 and his incredible assistant coaches and staff. Other notable inductees that night included NHL greats and brothers Chris and Peter Ferraro, former Dowling and Hofstra men's basketball coach who is also a Saint Anthony's grandparent, Dick Berg and Greg Sarra of Newsday and MSG Varsity. Congratulations to all.
